Our Volunteer Process

To organize an activity for your team, email medirector@unitedwaynci.org. Each request is handled with quality customer service, so please allow 3-4 weeks to develop your project.

Our Marketing and Engagement team will work with you to identify the appropriate partner or program to coordinate an opportunity for you.

Once you have selected an activity and it’s confirmed, our team will continue serving as a liaison to ensure your volunteer day is well organized.

Policy and Procedures

1. Submit your project request a minimum of 3-4 weeks before your desired project date. Please allow 4-6 weeks of planning for multiple projects or a series of dates.

2. Assign a company team leader to communicate to employees about the event including volunteer assignments, clothing recommendations, directions and parking. United Way will provide all information to the company team leader for communication.

To schedule a planning session with staff, please email medirector@unitedwaynci.org.
