The FamilyWize Prescription Savings Card Can Help Everyone

The Uninsured
Individuals and Families who:
• Have no insurance
• Aren’t covered by a family member’s insurance

Employees who:
• Work for businesses that don’t offer insurance
• Have declined coverage
• Work part-time
• Are laid off and not on COBRA

The Underinsured
Individuals and Families who:
• Have high deductibles or waiting periods
• Need medication not covered by their plan
• Have a co-pay higher than the FamilyWize discounted price
• Are on a limited or catastrophic plan

Employees who:
• Have high deductibles or waiting periods
• Need medications not covered by their plan

Seniors who:
• Are in the Medicare Part D “Donut Hole”
• Aren’t enrolled in Medicare Part D
• Are enrolled in Medicare Part D Prescription Plan without a MediGap plan
